Report of the Board of Health.

The Board of Health submits the following report:

The Board organized May 8 with F. B. Clarke as president, H. L. Webster as treasurer and G. W. Chase secretary.

We have had some 25 cases of measles none of which left any serious consequences; several cases of chicken pox; none of scarlet fever or other serious diseases, at least none that have been reported to the Board.

A complaint of a nuisance at the Street was made to the Board May 28 signed by six residents of the place which was investigated by the full board and finally abated to a certain extent. We also had two complaints at the Centre.

The Attorney General of the state having decided that all public buildings having sleeping apartments up two flights of stairs must have fire escapes attached to the outside of the same. We notified several parties having such to put on said escapes, some of whom have complied with the law, and others doubtless will in the spring.

The subject of vaccination of children has been carefully looked after. We have reported all cases to the Secretary of the State Board of health according to law. We wish to remind those who make a practice of dumping old rubbish beside the highway that such is strictly contrary to law.

Respectfully submitted,

GEO. W. CHASE, Secretary.

ANNUAL REPORT

——OF THE——

Canaan High School District.

August 1, 1908.

Organization.

EDWIN M. ALLEN, Moderator
BLANCHE M. BOGARDUS, Clerk.
MRS. HATTIE PITCHER, Treasurer.

MISS FLORA B. DAY,
MRS. CORA B. SMITH,
FRANK B. CLARKE,
} School Board.

C. O. BARNEY,
O. L. RAND,
} Auditors.

The School Board of Canaan High School District, make this their sixteenth annual report by presenting the following:

A two year course in the high school has been approved this year by H. C. Morrison, State Superintendent.

This allows the scholars from the Canaan Town district, and surrounding towns to come here for the purpose of schooling, and their tuition shall be paid by the town or district from which the scholars are sent.

The school board asks the hearty co-operation of the parents, espscially in the Canaan town district, to send their children here. By giving us their support the school

board would be able to get a three or four year course of high school approved, which will prepare the pupils for college.

For the past year in the Intermediate room there has been an attendance of over forty scholars; this is too many for one teacher, and the school board recommends that the Primary and Intermediate as now called, be graded as follows: Primary, Grades 1, 2 and 3; Intermediate, Grades 4, 5 and 6; Grammar Grades 7 and 8.

This will mean an extra teacher, but as there has been about about eighty scholars registered in these two rooms during the last year, this change will have to be made sooner or later. The state schedule says: "School Boards are cautioned that not more than thirty pupils should be assigned to each teacher."

There is plenty of room in the building to accomodate the proposed change.

This matter should be thoroughly discussed at the coming school meeting.

The two year high school course which is now approved, is as follows:

First Year,	Latin, Periods per week	5	
	Algebra " "	5	
	English (Rhetoric) Periods per week	5	
	Ancient History, Periods per week	5	
	Total periods per week		20
Second Year,	Latin, Periods per week	5	
	French " "	5	
	Geometry, " "	5	
	English (Rhetoric) Periods per week	5	
	Total periods per week		20
